Wedding Cakes

At Beverly's we do weddings in a unique way! We don't do traditional wedding cake tastings, we give you a dozen cupcakes of 12 different flavors that you can take home and try at your leisure. We believe with cake tastings; your palette becomes muddled with all the flavors and doesn't let you pick out the PERFECT flavor for your special day! We label each container with the flavors allowing you to make notes of your favorites. Our wedding cakes start at \$5 per person and go up to \$8 depending on the level of detail. We also specialize in Gluten Free, Nut Free, Dairy Free, and Vegan cakes as well. If you get your wedding cake from Beverly's, as a gift we give you a fresh personal beautiful First Anniversary cake of your choice!
